To Whom It May Concern:

This letter is to recommend Aubrey Watt. Aubrey is an absolute pleasure to work with daily. She constantly has superlative attitude. She inspires her peers and constantly "raises the bar" of expectations for other students. She is an extremely intelligent hard worker, which has brought her to a place of high esteem by her teachers, peers, and employers. Aubrey has, also, demonstrated on several occasions her ability to be responsible. She is constantly given complicated tasks that require complete trust and has proven herself to be dependable, honest, and faithful. Her moralistic character is accompanied with amazing leadership ability.

Aubrey has also is active in improving the community in which she lives. She has volunteered at the local high school for around two hundred hours this year. She used her volunteering to improve the environment around her.

I recommend Aubrey for any position or scholarship for which she applies. She is a remarkable young lady and will supercede your expectations.

Sincerely,

Alexis J. Onishi
